A little bit about us...

American Security Cabinets has built secure cabinetry that collects and protects payments and important documents since 1976 from St. Cloud, Minnesota.

We take pride in our loyal employees who we think of as “family” since the average staff tenure is over 12 years. This experience goes into every cabinet we design, build and service for many decades ahead. When you need us, we’ll be here for You.

Every piece, part and hour of labor required to make an American Security Cabinet is from the USA. We use high grade, heavy gauge, brushed Stainless Steel that is continuously fold-welded and hand finished for a first-class appearance and long-lasting durability.

We absolutely guarantee your satisfaction against faulty workmanship for the life of the cabinet’s service to You.

Our friendly staff of Service Representatives are ready to answer any questions you may have or of course, to place your order.

Please call 1-888-268-0295. Thank you!
